SCHOOL IMPROVEMENTS

Many much-needed improvements have been made in the school building during the past summer. This work was carried out by members of the School Board throughout the summer months.

Some of the most important improvements include: the outside basement entrance to the 4th and 5th grade class room, ventilating fans, better lighting facilities throughout the basement, added a water fountain and two modernized drinking fountains, redecorated basement classroom, office was completely remodeled, new water pump and water lines, a new floor in K. P. hall and the purchase of new classroom chairs and desks.

With the financial support of members of the community work could be done on a new school building and gymnasium.

Education is the basis of the American way of living. Are the people of

Buffalo willing to allow their children to receive their education in an outmoded building, under crowded conditions?

The cooperation of the people of Buffalo, and the surrounding school Districts, could erase these prevailing conditions.

THE PIPER

The Piper staff has devised a new set of plans for the paper. Beginning with this copy, you will notice, we are going away with the front and back covers of our paper to make our copies appear more like a newspaper, cut down on expenses, and do away with a lot of unnecessary work on the part of the Art Editor. We are attempting to have a better organized staff and set pattern of printing.

SCHOOL

Primary

There are thirty Primary children enrolled this year.

Nine medical records have been returned.

Sharon Ann Edwards and Winston Hathcock returned their dental cards.

Berbara Shaw won the citizens award. This achievement is given to the child who is neither absent or tardy, and this month has accomplished most. She is five years old, and the daughter of Mr. and Mrs. Arthur Shaw.

First Grade

First grade children are now studying about trees—maple, elm, oak, and poplar. They are also starting their new reader, Our New Friends, this week. Billie Jean Jens was chosen as the first citizen of the month. Good be-

NEWS

behavior as well as good work and standards by which the best citizen is chosen each month.

Second and Third

We have brightened our room with new curtains. Each one of us brought money to pay for them. We like them very much. We also have many lovely plants and flowers.

The second and third graders each have a new spelling chart. If we do not miss any words on our Friday's test we receive a gold star. All of us are trying very hard to learn our words so we can receive a star.

In science class the third graders have been studying different foods and plants. After we study each one we make a report. We have an interesting bulletin board

including a peanut plane which Loretta brought. When we had studied about this plant we made reports on it.

Dorcas and Nancy brought us a cotton plant to enjoy. We want to study about it soon.

Carol Plambeck was chosen as our citizen for the month of September.

Fourth and Fifth

The fourth and fifth grades have an enrollment of 34 pupils, 17 boys and 17 girls. Today for our physical training we had a baseball game. The boys won by a score of 12 to 0. The girls have now decided to practice more.

We are enjoying our room this year for it has been redecorated, and we have a new ventilating fan and our own private entrance. We are very grateful to the school board members for these improvements. We also have new curtains for the windows.

The pupils have made their own individual penmanship pads to keep their lessons in for the year and they hope to improve their penmanship every day.

The citizenship award for Sept. was given to Gola Mae McKee of the fourth grade.

Fifth and Sixth

We are studying Indians in both of our history classes now. Many things belonging to the Indians or the historic love days have been brought to school to help us learn more about them.

Everyone has had to brush up on their multiplication tables. We just can't do 5th and 6th grade arithmetic without knowing them. The 6th graders are doing long division problems and the 5th graders are doing multiplication problems.

We are very proud of our attendance record this month. Two girls were tardy and one girl was absent. The boys have done even better—they have been neither tardy or absent. We have 20 boys and 21 girls in our whole room. There are 4 fifth graders and 27 sixth graders.

Since we haven't been coming to school before ten minutes to nine and one we have had very little confusion and trouble on the playground. The town hall lot serves as our playground and it is not supervised before school time. recess period is the only time it is watched.

When the children are on the town lot early in the morning all by themselves or before school during noon hour sometimes trouble does arise. We hope you parents will continue to cooperate with us by keeping them home until school time, it saves a great deal of trouble. Thank you for your cooperation.

Seventh and Eighth

This year the seventh and eighth grades have 51 students. We have a new teacher who is Mrs. Sinn. We hope she will enjoy working with us. There are four new pupils. They are: June Plambeck, Roberts Anderson, and Pat Mills in the seventh grade, and Kenneth Plumb in the eighth. A cordial welcome to them.

The first P.T.A. meeting brought out 13 mothers from our room. We were defeated by 14 mothers. Well, better luck next time.

We decorated our room again this year with drapes. The seventh grade brought mats, and marked the travels of famous explorers. Thursday afternoon at 2:30, 33 students were excused from school for perfect attendance and not being tardy.

Jerry Lester was chosen as the citizen of the month of September in our grades. He was so named because of his effort, cooperation, dependability, and all around ideal citizen for our first month.

Freshman News

The Freshman have started their school days in Buffalo High School and find them to our liking.

We held class election of officers. They are:

President.....Marvin Williams
Secretary.....Bob Stacy
Treasurer.....Blanche Dimick

Page 3

We are taking gen. science, algebra I, English and literature. The boys are taking typing and the girls home ec. We all find algebra the most difficult.

We have 23 members in our class. New members include: Peggy Teel, Belle Rose Wagner, Joan Mathey, Janice Rupe, Dale Kinsley, Donald Boldt and Philip Plum. We hope they enjoy being in our class.

Two members of the class were chosen for cheerleaders. They are Peggy Teel and Shirley Hanford. We wish them much success.

Sophomore News

Summer fun is over and work has begun. We welcome two new members to our class, Shirley Taylor and Darrell Abbott. We have also lost three members: Donald and Ronald Brown, who moved to California and Ronald Cross who moved to Davenport.

Our class sponsor is Mr. Forward. We elected our officers. They are: President.....Janice Wraga Treasurer.....Lueretha Underwood Vice Pres.-Secretary was Donald Brown. We will elect someone else soon.

All of us are looking forward to initiating the Freshmen.

Junior News

Our class has entered upon its third year of high school. Miss Doemlnd has been appointed our class sponsor. Class election was held and the following offices are: President.....Anita Rathjen Vice Pres.....Colleen Moore Secretary....Mildred McCullough Treasurer.....Carol Lorentzen

Subjects for our class include American government, American literature, typing (girls), American history, and chemistry.

Plans are taking form for our Junior class play which will be held in the near future. Please watch the paper for announcement of the date for the play.

Senior News

We have finally launched on our last year of school and are looking forward to a very memorable year.

The senior class has started its activities by scheduling a skating party at the Prom, on Friday, October 7th. Transportation will be provided and we hope everyone will try and attend. Tickets may be obtained from any senior.

The annual yearbook will again be published at the end of the school year. The Senior Class will sponsor it and it will contain pictures and news of the coming school events.

Our class consists of only eight members this year with Mrs. Armentrout as our sponsor.

Subjects taken by the seniors are chemistry, speech, American literature, and American government. The girls are carrying business arithmetic as a fifth subject.

We have elected our class officers which are as follows:

President.....Harry Boldt Vice Pres.....Irene Willroth Sec.-Treas.....Audrey Rostenbach

Ronald Buchmeyer, a member of the Senior class, has donated a chemistry set to the school lab.

Since this is our last chance to assist in publishing the Piper, we sincerely hope you readers enjoy the coming issues.

Home Ec. News

We started our studies in home economics by trying to make the home ec. room more efficient and more pleasant to work in. The school board bought us a new filing cabinet which will be very useful in filing our material. We are going to get new curtains and new oilcloth for the tables. The beautification committee is going to decorate potato chip cans for wastebaskets.

We have different committees to do certain tasks for a period of two weeks. The correspondence committee sent away for some material about different subjects we will be studying.

Five Scott County Teachers attended a district meeting for officers of the Iowa State Education Association, At Washington, Iowa, Wednesday, September 27. The meeting was under the direction of officers of the Iowa State Education Association of Des Moines.

SOUR NOTES

By Audrey Rostenbach

Who is Marilyn Jens secret admirer? We hear she got a postal card in the mail. Let us in on it Marilyn!!!

What is this we hear about Phyllis Roe and Bob Boldt?? Be careful Bob, Phyllis is pretty fast!!!

Who is this we have been seeing Mildred Mc Cullough with lately??? Careful Midge you'll get a man before you get a career!

What freshman girls face gets red when Charles Walker speaks to her???????

Who is the flame from Walcott Barbara's been talking about????? (Bring him around sometime Barb.)

What charms does Mr. Forward possess that our High School romances don't have!!!!!!

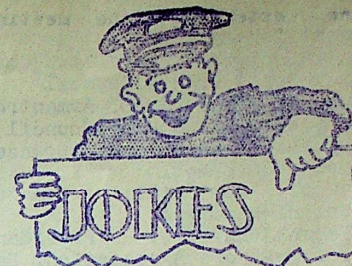

Wonder whose watch Janice W. has been wearing???? How about that Janice?

What's the big attraction at Walcott Mary Helen???? Can't you make up your mind???

Who's Ivadell's Blue Beard Boy-friend??? Could'n't be Hershhal could it??

What's this we hear about Tiny having a crush on Donald Kraft Secret.....Hush!!!

By Ronald Buchmeyer

"She's dumb you say?"
"Dumb! If anyone said hello to her she'd be stuck for an answer."

A fly and a flea were imprisoned said the fly, "Let us flee."
"Let us fly, said the flea, so they flew through a flaw in the flue.

Teacher: "And from the skunk we get fur, isn't that right Johnny?"
Johnny: "I'll say it is, teacher, fur as possible!!"

Mrs. Jones: "Do you believe in clubs for men who are married?"
Mrs. Smith: "I do, if words fail."

"Why did you leave your girl's house so early?"
"Because we were sitting on the sofa and she turned out the light, guess I can take a hint."

Reporter: "To what do you owe the fact that you are today worth \$200,000?"

Citizen: "Hard work, tenacity, perseverance, and---oh, yes,-----a \$199,000 inheritance from my grandfather.

"I hear you advertised for a wife
"Yes, and I got a hundred replies."
"What did they say?"
"They all said, "You can have mine."

He went on a fishing trip and returned with a wife. "That's a fine girl you've got," said his friends
"Yeah, but you should have seen the one that got away."

Those attending the meeting from Scott County were:
 Superintendent Erickson; Bettendorf
 President Scott County Council
 Superintendent Mrs. N. D. Armentrout
 Secretary of Scott County Council
 Miss Lucille Bursack; Counselor
 Davenport High School
 Miss Holly Cotterill; Counselor
 Davenport High School
 Miss Gladys Johnstone; President
 Davenport Teachers Association; Davenport High School.

Attendance was drawn from 18 counties in the South East District. Over 100 attended the session held at the Y.M.C.A. building.

The days session was divided into four groups:

- I. Organization
- II. Public Relations and Legislation
- III. Publicity
- IV. Professional Relations and Politics

Sour Notes don't

What's happened to Harry Boldt over the summer vacation????????? He seems to be a changed man.... and not for the better!!!!!!

I hear Shirley H. and Harlene Flood are crazy over Marlin Allchin Does this mean Janice Rupe will loose him??????

Who's Colleen been getting letters from lately????????? Seems as though he is going about it in a round about way!!!

What's happened to Harold Abbott during the summer vacation???? Seems as though Shirley Taylor has changed his attitude toward girls!!!!

There seems to be a little matter of competition between Joan Mathy and Peggy Teel over Freddie!!! How about that girls???

Seems as though Champ, Dimick, and Carol have a crush on Ivadelle! Better watch them Hershel!!!

We are striving to teach your boys and girls good citizenship, the basis for our daily living. The essentials of good citizenship consist of punctuality, dependability, cooperation and regular daily habits, namely daily attendance.

Therefore, in order that, we may receive the full benefit from our State Aid and General Aid your boys and girls must have better attendance and less tardiness. Also your child will do better work at school if present everyday to receive instructions in each subject.

The State Board of Education requires by law that every boy and girl attend school regularly for 180 days per year.

In order to reduce unnecessary absence and tardiness the following rule will be strictly observed.

- (A) Each student will be allowed only 5 days excused and 5 cases of tardiness each semester.
- (B) For each day's absence or tardiness above 5 days, 3 points credit will be deducted from each subject at the close of the semester.
- (C) Excused absence will be based on the following:

1. Illness
2. Death
3. Work if necessary for family support
4. Unavoidable circumstances

- (D) A doctor's certificate will be required if illness or contagious disease lasts longer than a five day period.
- (E) Each student will be able to make up his work missed because of illness.

Out of 63 students in high school 23 students earned a quarter holiday.

Ninth grade - 11 Eleventh grade - 2
 Tenth grade - 9 Twelfth grade - 1

A quarter holiday is given on the last Friday of each month providing a student is not absent or tardy during this period.

SPORTS

GIRLS

Colleen Moore
 Sandra Rostenback

So Far the girls have taken very little part in sports, but we have been playing baseball during Physical Education to help get in condition for basketball. Mr. Forward has given up hopes of a girls' baseball team.

The Juniors with the assistance of a few Seniors Defeated the Freshmen and Sophomores 26-8.

We are all looking forward to beginning basketball practice with high hopes of a successful season. With the assistance of Mr. Forward, We hope to be able to get new Basketball suits which we need very badly.

The girls wish the new cheer leaders success under the direction of Miss Doemland.

Who is going to win the "WORLD SERIES"?

Miss. Jeanne Gillon		Mrs. Norman Armentrout	

Some of it has arrived and we hope it will help us!

We spent the second week of school in canning. We canned peaches using the pressure cooker. We want to thank Mrs. Jens for the use of her pressure cooker.

This last week we have been studying nutrition. We find it very interesting and hope it will help us plan our menus now and later when we become homemakers.

Boys Sports (cont.)

Buchmeyer, the relief pitcher had one strike-out, and no walks. Gran had 8 strikeouts and 4 walks.

Both of our star pitchers moved to California, so on the whole I believe the Buffalo squad did fairly well.

Buffalo Junior High was defeated 37-6, by Linwood Junior High, on September 20. Walker was the winning pitcher for Linwood; the losing pitcher for Buffalo was Kinsley.

Games Scheduled:
Durant--October 4--there
Linwood--October 6--there

We have a new coach this year--Mr. Lyle Forward, of Rock Island, Illinois. He has been working hard to build up a good baseball team. Every one is looking forward to the basketball season with re-newed interest.

We also have a new group of cheerleaders this year. This is a group that the players all look forward to when it comes game times. Their names are; Harlene Flood, Donald Morgan, Peggy Teel, Merlin Allchin, Shirley Hanford, and Barbara Poretzmann.

I guess that about winds up this section for this time. Oh! one more thing. I want to see more of the fans at the baseball game next time, and also at all of the basketball games when they start.

See you in next month's issue of The Piper, put out by the students and faculty of Buffalo High School.
